I'm not moving and yet I'm moving. Or as Bruce Lee once said :

*"The stillness in stillness is not the real stillness. Only when there is stillness in motion, does the universal rhythm manifest." - Bruce Lee*

#### The Burst (a.k.a.: The Shuffle Step)

The Burst is also a push-pull movement. It is used for a quick advance, for kicking and for punching. The Burst is used primarily to deliver a devastating kick such as a side-kick, or to counter an opponent's attack. That's why footwork is not just for "transition" between techniques, but also the delivery system that allows you to execute your techniques properly. Any Properly executed kick or punch comes off the footwork.

#### **RETREATING:**

There are many forms of retreating as there are advances, techniques such as the Shuffle or Step & Slide, can also be used as retreating tactics. However, I'll focus on one retreating technique that differs from the others in as much as it's not simply the reverse of the advancing techniques as outlined above.

#### The Pendulum Step

The Pendulum Step is used primarily to avoid an attack. From the On-Guard position, the lead leg is quickly drawn back to where your rear leg is, while simultaneously withdrawing your rear leg backwards. The entire weight of your
